College of the Law
San Francisco, California
(200 McAllister St.)**

The Call for papers will be distributed in January

The Carework Network is an international organization of researchers, policymakers, and advocates involved in various domains of carework. Based in the social sciences, individuals from all academic disciplines and advocacy organizations who take a variety of approaches to the study of carework and carework policy are invited to participate in the Carework Network.

For more information about The Carework Network or to join in ongoing conversation about the conference and other care-related topics, please visit our website and join our listserv (instructions on website):
